Imagine me and you, I do
I think about you day and night
It's only right to think about the girl you love
And hold her tight so happy together

If I should call you up, invest a dime
And you'd say you belong to me, and ease my mind
Imagine how the world would be
So very fine, so happy together

I can't see me loving nobody but you for all my life
When you're with me, baby the skies will be blue for all
my life

Me and you, and you and me
No matter how they toss the dice, it has to be
The only one for me is you, and you for me
So happy together

Imagine me and you, I do
I think about you day and night
It's only right to think about the one you love
And hold her tight so happy together

I can't see me loving nobody but you for all my life
When you're with me, baby the skies will be blue for all
my life

Me and you, and you and me
No matter how they toss the dice, it has to be
The only one for me is you, and you for me
So happy together
So happy together
We're happy together
So happy together

I can't see me loving nobody but you for all my life
When you're with me, baby the skies will be blue for all
my life

I can't see me loving nobody but you for all my life
When you're with me, baby the skies will be blue for all

my life

I can't see me loving nobody but you for all my life
When you're with me, baby the skies will be blue for all
my life

I can't see me loving nobody but you for all my life
When you're with me, baby the skies will be blue for all
my life

I can't see me loving nobody but you for all my life
