I knew you when you were lonely
And I knew you when you were only
A girl, all alone without love
(I knew you when)

I knew you when
You were sad and all alone
You didn't have anyone
That you could call your own
(I knew you when)

I knew you when
Your heart belonged to only me
But that was many tears ago
Now your love is just a memory
(Yeah, yeah, yeah, yeah)

I knew you when you were lonely
And I knew you when you were only
A girl, all alone without love
(I knew you when)

I knew you when
We used to have a lot of fun
But someone new could offer more
Now I'm the lonely one
(I knew you when)

I knew you when
You were just a scared little girl
I used to be your only love
Before you came up in the world
(Yeah, yeah, yeah, yeah)
(Yeah, yeah, yeah, yeah)

I knew you when you were lonely
And I knew you when you were only
A girl, all alone without love

I knew you when you were lonely
I knew you when you were lonely
I knew you when you were lonely

I knew you when you were lonely
I knew you when
