I've gotta take a little time.
A little time to think things over,
I better read between the lines.
In case I need it when I'm older,
Ohhhh
Oo oh oh oh oh

Now this mountain I must climb.
Feels like the world upon my shoulders,
Through the clouds I see love shine.
It keeps me warm as life grows colder...

In my life there's been heart-ache and pain,
I don't know if I can face it again,
I can't stop now,
I've travelled so far,
To change this lonely life...

I wanna know what love is!
I want you to show me!
I wanna feel what love is!
I know you can show me!

I'm gonna take a little time.
A little time to look around me,
I've got nowhere left to hide.
It looks like love has finally found me...

In my life there's been heartache and pain,
I don't know if I can face it again,
I can't stop now,
I've travelled so far to change this lonely life...

I wanna know what love is!
I want you to show me!
I wanna feel what love is!
I know you can show me! x5
