Let's get down to business, to defeat the Huns
Did they send me daughters, when I asked for sons?
You're the saddest bunch, I ever met
But you can bet before we're through
Mister, I'll make a man out of you

Tranquil as a forest but on fire within
Once you find your center, you are sure to win
You're a spineless, pale, pathetic lot
And you haven't got a clue
Somehow I'll make a man out of you

I'm never gonna catch my breath
Say goodbye to those who knew me
Boy, was I a fool in school for cutting gym
This guy's got 'em scared to death
Hope he doesn't see right through me
Now I really wish that I knew how to swim

(Be a man)
We must be swift as the coursing river
(Be a man)

With all the force of a great typhoon
(Be a man)
With all the strength of a raging fire
Mysterious as the dark side of the moon

Time is racing toward us till the Huns arrive
Heed my every order and you might survive
You're unsuited for the rage of war
So pack up, go home you're through
How could I make a man out of you?

(Be a man)
We must be swift as the coursing river
(Be a man)
With all the force of a great typhoon
(Be a man)
With all the strength of a raging fire
Mysterious as the dark side of the moon

(Be a man)
We must be swift as the coursing river
(Be a man)
With all the force of a great typhoon
(Be a man)
With all the strength of a raging fire
Mysterious as the dark side of the moon
