You've come a long way girl, but there's a lot of love  
that you hide.  
You're sad and lonely girl, but it's not that you haven't  
tried.  
All you gotta do, and all you gotta say is just...

Love me, love me, love me.  
Love me, alright.

When you were younger girl, you thought that  
everything would be fine.  
But now you're older girl, and your running out of time.  
I'll show you the way, only if you'll stay and just...

Love me, love me, love me.  
Love me, alright.

Girl, I'm gonna love you like you've never been loved  
before.  
Keep in mind the things we said, don't lose your head  
on love.

You've come a long way girl, just to lose the good that  
you've found.  
Well now, what you've got, yes, I'd like to keep you  
around.  
Keep me in your heart, I swear we'll never part. If you'll  
just.....

Love me, love me, love me.  
If you'll just  
Love me, love me, love me.  
Yeah, yeah, yeah.  
Love me, love me, love me.  
Come on now.  
Love me, love me, love me.....
