I can tell you've been hurt by that look on your face, girl.

Some god probably sent me to your happy world. You need love, but your that if you give in, that someone else will come along and sock it to you again.

One bad apple don't spoil the whole bunch, girl. Oh, give it one more try before you give up on love. One bad apple don't spoil the whole bunch, girl. I don't care what they say, I don't care what you heard.

I could make you happy, baby, satisfy you too (satisfy you now)

How can I, you won't give me a chance,

To prove my love to you.

Won't you just give me one more chance (one more chance now)

I'll give you my guarantee that you won't be hurt again.

One bad apple don't spoil the whole bunch, girl.

Oh, give it one more try before you give up on love. One bad apple don't spoil the whole bunch, girl. I don't care what they say, I don't care what you heard.

I've been noticing you, baby, for a long, long time. (long, long time now) And I'm not ashamed to tell the world, that you really messed up my mind. Girl, to me you're like a dream come true (dream come true now)

I'd rather hurt myself than to ever hurt you.

One bad apple don't spoil the whole bunch, girl. Oh, give it one more try before you give up on love. One bad apple don't spoil the whole bunch, girl. I don't care what they say, I don't care what you heard
