So you heard that I'm a rebel with a heart made of  
stone

I got a restless spirit that nobody can own  
If a picture tells a story won't you listen to mine  
I'm searching for the answer but it's so hard to find

You'll see much deeper when you read between the  
lines

'Cause there's a fire burning in my eye

Like a thief in the night who can't get enough  
I am willing to fight 'cause I'm a soldier of love  
Like a shot in the dark when the going gets rough  
It's a state of the heart, you're a soldier of love

I'm willing to fight

Love can be so heartless when you turn out the lights  
A mutual surrender in the heat of the night  
Life's an empty picture when you're living alone  
And maybe that's the reason every heart needs a home

Each time I fall down, I get on my feet again  
I'm gonna win this battle in the end

Like a thief in the night who can't get enough  
I am willing to fight 'cause I'm a soldier of love  
Like a shot in the dark when the going gets rough

It's a state of the heart and you're a soldier of love

You'll see much deeper when you read between the  
lines

'Cause there's a fire burning in my eye

Like a thief in the night who can't get enough  
I am willing to fight 'cause I'm a soldier of love  
Like a shot in the dark when the going gets rough  
It's a state of the heart and you're a soldier of love

Sha la, la la, la la la, when the going gets rough  
Sha la, la la, la la la, I'm a soldier of love

Sha la, la la, la la la, when the going gets rough  
Sha la, la la, la la la, a soldier for your love

Like a thief in the night who can't get enough  
I am willing to fight 'cause I'm a soldier of love  
Like a shot in the dark when the going gets rough  
It's a state of the heart, you're a soldier of love

Like a thief in the night who can't get enough  
'Cause I'm a soldier of love  
Like a shot in the dark when the going gets rough
