I love the little wiggle in your walk  
The way you cuddle on my shoulder  
But you're too young to know the score  
So come back when your older  
'cause you're too Sweet and Innocent  
But you just, are too young for me, yeah  
The way you hold me not too tight  
The tender way you kiss good night  
They say you've got some growing up to do  
Oh, oh, oh, young and beautiful  
Is the love, oh you give to me, yeah  
You're not hip, so get with it girl  
Go on home to your make believe world  
You're too sweet and innocent  
You're too young and beautiful for me.  
Yeah, Yeah, yeah, Sweet and innocent  
But you just, are too young for me, yeah  
I'd like to kiss you and hold you tight  
Go on home, or I just might  
You're too sweet and innocent  
You're too young and beautiful for me  
(Fade out)
