They try to tell us we're too young  
Too young to really be in love  
They say that love's a word  
A word we've only heard  
But can't begin to know the meaning of

And yet we're not too young to know  
This love will last though years may go  
And then some day they may recall  
We were not too young at all

Oh, no, And yet we're not too young to know (not too  
young to know)  
This love will last though years may go  
And then some day they may recall  
We were not too young at all  
we're not too young  
We were not too, not too young, oh baby  
we're not too young  
We were not too, not too young, oh baby
