They say for every boy and girl  
There's just one love in this whole world  
And I know I've found mine  
The heavenly touch of your embrace  
Tells me no one could take your place  
Ever in my heart  
Young love (young love), first love (first love)  
Filled with true devotion  
Young love (young love), our love (our love)  
We share with deep emotion  
Just one kiss from your sweet lips  
Will tell me that your love is real  
And I can feel that it's true  
We will vow to one another  
There will never be another  
Love for you or for me  
Young love (young love), first love (first love)  
Filled with true devotion  
Young love (young love), our love (first love)  
We share with deep emotion
