When the deep purple falls, over sleepy garden walls  
And the stars begin to twinkle in the sky  
In the mist of a memory you wander on back to me  
Breathing my name with a sigh

In the still of the night once again I hold you tight  
Though you're gone, your love lives on when moonlight  
beams  
And as long as my heart will beat  
Sweet lovers will always meet, here in my deep purple  
dreams

When the deep purple falls, over sleepy garden walls  
And the stars begin to twinkle in the sky  
In the mist of a memory you wander back to me  
Breathing my name with a sigh

In the still of the night once again I hold you tight  
Though you're gone, your love lives on when moonlight  
beams  
And as long as my heart will beat  
Sweet lovers will always meet, here in my deep purple  
dreams  
And as long as my heart will beat  
Sweet lovers will always meet, here in my deep purple  
dreams  
Here in my deep purple dreams, here in my deep  
purple dreams
