Gonna break away before i break down cause
IÂ´ve never been a part of this shithole town
I gotta find myself a place to call my own
I need to put life back into my weary bones

And iÂ´ll never come back again
IÂ´m leaving, iÂ´m leaving
IÂ´m a complete stranger again
IÂ´m leaving, iÂ´m leaving

So say good-bye to city lights
IÂ´m bleeding, iÂ´m bleeding
IÂ´ll say good-bye and leave tonight
IÂ´m bleeding, iÂ´m bleeding, iÂ´m leaving

Gonna break away before i break down cause
IÂ´ve never been part of this shithole town,
I gotta find myself a place to call my own,
I cannot stand the skyline made of grey tombstones
And this is not the place iÂ´m gonna call my home
Cause thereÂ´s no room for me, iÂ´m better off alone
I gotta get out cause i die too much for my own good
I gotta pack it in, there goes the neighborhood

And iÂ´ll never come back again
IÂ´m leaving, iÂ´m leaving
IÂ´m a complete stranger again
IÂ´m leaving, iÂ´m leaving

So say good-bye to city lights
IÂ´m bleeding, iÂ´m bleeding
IÂ´ll say good-bye and leave tonight
IÂ´m bleeding, iÂ´m bleeding
Say good-bye
IÂ´m bleeding, iÂ´m bleeding
Say good-bye
IÂ´m bleeding, iÂ´m bleeding, iÂ´m leaving

Not the place iÂ´m gonna call my home
Cause thereÂ´s no room for me, iÂ´m better off alone
I gotta get out cause i die too much for my own good
I gotta pack it in, there goes the neighborhood

I gotta pack it in, there goes the neighborhood
