Wake up my dear
Today is your last day on this planet
Darling

I'm breaking up, ain't coming home
Cause the same shit every day really got me down
Another place, not sure which town
I don't need your advice, I like it on my own

I'm never coming home

I know that you never thought that I could break down
the walls
I'm never looking back, no!
I know that you never thought that I could break down
the walls
Watch me now!

I breaking up, show me the door
Just let me pick my teeth up from the floor
Burn my remains and bless my bones
Sell the memories cause everything must go

(Cause he's a dead man walking
A dead man talking
A dead man getting in the zone)

I'm never coming home

I know that you never thought that I could break down
the walls
I'm never looking back, no!
I know that you never thought that I could break down
the walls
Watch me now!

Oh-oh-oh-oh Oh-oh
Oh-oh-oh-oh Oh-oh-oh
Oh-oh-oh-oh Oh-oh
Oh-oh-oh-oh Oh-oh-oh

I know that you never thought that I could break down

the walls
I'm never looking back, no!
I know that you never thought that I could break down
the walls
Come, watch me!

Oh-oh-oh-oh Oh-oh
Oh-oh-oh-oh Oh-oh-oh
Oh-oh-oh-oh Oh-oh
Oh-oh-oh-oh Oh-oh-oh
All it takes is patience
All it takes is patience now
All it takes is patience
All it takes is patience now
