I guess I've learned enough in this class
So I drop out
And I can surely think of better jokes
To laugh about
This ain't no fun
The damage has been done
I surrender
Cause you're talking way too loud
I surrender
I quit and you are down and out
Can you still hold your head up now that you're
Wearing a crown?
And can you hear them saying "What goes up,
Must come down"?
It's true
The harder they come
The harder they fall
You are down and out
