Out Of Line Meet me Right here This curb is our throne
Tonight Sit back And share this moment

Bring a bottle of wine, I bring quarters and dimes For
The jukebox and the pinball machine I wanna go to
soho
Or maybe tokyo Even if it sounds like a cliché You
Gotta believe me

Hit the road and waste some time I waste yours and
you
Waste mine Why don't we just take a ride and step
right
Out of line? Step right out of line

Meet me Right here The streets are ours tonight I can't
Wait One minute longer

Are you ready to go? - time to rock so let's roll Cause
I just need to feel alright Won't you turn it up loud
To get me off of the ground? Sleep is overrated tonight

Let's get up and go now

Hit the road and waste some time I waste yours and
you
Waste mine Why don't we just take a ride and step
right
Out of line? Hit the road and waste some time C'mon,
my
Friend, you know I don't mind Why don't we push our
Luck tonight and step right out of line? Step right out
Of line, yeah

Hit the road and waste some time I waste yours and
you
Waste mine Why don't we just take a ride and step
right
Out of line? It's about time we killed some time I
Wanna kill yours so please kill mine Let's steal a car
And we'll go for a ride and step right out of line Step
Right out of line, yeah
