"Pick Up The Pieces"

Come one, come all
And have a dance on broken glass
We look a mess
Sedated in our sunday best
What the hell are we waiting for?
I said what the hell are we waiting for?
All dressed up and nowhere to go
Nothing left to lose or show
Weâre all dressed up and we ainât got nowhere to go

What the hell are we waiting for?
Say what the hell are waiting for?
What the hell are we waiting for?
Pick up the pieces, pick up the pieces

Come one, come all
We got a chance to point the blame
Insert a name
Weâre only changing for the same
What the hell are we waiting for?
I said what the hell are we waiting for?
All dressed up and nowhere to go
Nothing left to lose or show
Weâre all dressed up and we ainât got nowhere to go

What the hell are we waiting for?
Say what the hell are waiting for?
What the hell are we waiting for
Pick up the pieces...

All dressed up and nowhere to go
Weâre all dressed up and we ainât got nowhere to go

What the hell are we waiting for?
Say what the hell are waiting for?
What the hell are we waiting for
Pick up the pieces, pick up the pieces

What the hell are we waiting for?

Say what the hell are waiting for?
What the hell are we waiting for
Pick up the pieces, just pick up the pieces
Pick up the pieces, pick up the pieces
