Come, take a breath  
Make this moment last  
Be here right now  
This is the place and time  
Forget the world  
And leave it all behind  
It doesn't take a word  
And all i need to know is here  
There's comfort in the silence  
When you're near  
Give me shelter  
When the day comes  
Crashing down on me  
I'll tide you over I will give you  
Everything (you need)  
Let's take a breath  
It might be our last one  
Make this moment last  
Make it the best one  
We'll find ourselves  
Finding something new  
Feels good to share  
A room with a view  
It doesn't take a word  
And all i need to know is here  
There's comfort in the silence  
When you're near  
Give me shelter  
When the day comes  
Crashing down on me  
I'll tide you over I will give you  
Everything (you need)  
Give me shelter  
When the day comes  
Crashing down on me  
I'll tide you over I will give you  
Everything 4\*  
Come, take a breath  
Make this moment last  
It doesn't take a word  
And all i need to know is here  
There's comfort in the silence

When you're near  
Give me shelter  
When the day comes  
Crashing down on me  
I'll tide you over I will give you  
Everything (you need)  
Give me shelter  
When the day comes  
Crashing down on me  
I'll tide you over I will give you  
Everything (you need)
