The continent of Atlantis was an island which lay before
the great flood

in the area we now call the Atlantic Ocean.

So great an area of land, that from her western shores
those beautiful sailors journeyed to the South and the
North Americas with ease,

in their ships with painted sails.

To the East Africa was a neighbour, across a short
strait of sea miles.

The great Egyptian age is but a remnant of The
Atlantian culture.

The antediluvian kings colonised the world

All the Gods who play in the mythological dramas

In all legends from all lands were from fair Atlantis.

Knowing her fate, Atlantis sent out ships to all corners
of the Earth.

On board were the Twelve:

The poet, the physician, the farmer, the scientist,

The magician and the other so-called Gods of our
legends.

Though Gods they were -

And as the elders of our time choose to remain blind

Let us rejoice and let us sing and dance and ring in the
new

Hail Atlantis!

Way down below the ocean where I wanna be she may
be,

Way down below the ocean where I wanna be she may
be,

Way down below the ocean where I wanna be she may
be.

Way down below the ocean where I wanna be she may
be,

Way down below the ocean where I wanna be she may
be.

My antediluvian baby, oh yeah yeah, yeah yeah yeah,
I wanna see you some day

My antediluvian baby, oh yeah yeah, yeah yeah yeah,

My antediluvian baby,

My antediluvian baby, I love you, girl,

Girl, I wanna see you some day.

My antediluvian baby, oh yeah
I wanna see you some day, oh
My antediluvian baby.
My antediluvian baby, I wanna see you
My antediluvian baby, gotta tell me where she gone
I wanna see you some day
Wake up, wake up, wake up, wake up, oh yeah
Oh glub glub, down down, yeah
My antediluvian baby, oh yeah yeah yeah yeah
