Yellow is the colour of my true love's hair

In the morning when we rise,

In the morning when we rise,

That's the time That's the time

That's the time That's the time

I love the best.

Green is the colour of the sparkling corn

In the morning when we rise,

In the morning when we rise.

That's the time That's the time

That's the time That's the time

I love the best.

Blue is the colour of the sky

In the morning when we rise,

In the morning when we rise.

That's the time That's the time

That's the time That's the time

I love the best.

Hold it!

Mellow is the feeling that I get

When I see her, mm hmm,

When I see her, oh yeah.

That's the time That's the time

That's the time That's the time

I love the best.

Freedom is a word I rarely use

Without thinking, oh yeah,

Without thinking, mm hmm,

Of the time Of the time

Of the time Of the time

When I've been loved.

Yellow is the colour of my true love's hair

In the morning when we rise,

In the morning when we rise,

That's the time That's the time

That's the time That's the time

I love the best.
