Oh, God is playing marbles with his planets and his stars
Creating havoc through my life with his influence on Mars
That's why I'm stumbling down the highway on my boots of steel
I should be rolling down the skyway on my cosmic wheels

Cosmic wheels, cosmic wheels, cosmic wheels

In the present position of the planets it's impossible for me to say
Just when I'll find my course again with these boulders in my way
I should be rolling down the skyway on my cosmic wheels
Instead of stumbling down this highway on my boots of steel

Cosmic wheels, cosmic wheels, cosmic wheels

That's why I'm stumbling down the highway on my boots of steel
I should be rolling down the skyway on my cosmic wheels

Cosmic wheels, cosmic wheels, cosmic wheels

Oh, God is playing marbles with his planets and his stars
Creating havoc through my life with his influence on Mars
That's why I'm stumbling down the highway on my boots of steel
I should be rolling down the skyway on my cosmic wheels

Cosmic wheels, cosmic wheels, celestial wheels
Cosmic wheels, celestial wheels
Cosmic wheels, celestial wheels
Cosmic wheels, celestial wheels
