Love is only feeling, feeling for you,  
Love is only feeling, feeling for me.

Happy I yam - all on a new day,  
Happy I yam - people and flowers are one and the  
same,  
All in a chain - at the beginning of a new world;  
Someone's singing and I think it's me.

Youth is winging and longs to be free  
So follow me  
Love is only feeling, feeling for you,  
Love is only feeling, feeling for me.

Into your life there will come friends,  
Maybe a wife who to you sends love with no gain,  
Part of a chain - at the beginning of a new child;  
Someone's singing and I think it's me.

Someone's painting and, oh gosh it's me  
And so you see  
Love is only feeling, feeling for you,  
Love is only feeling, feeling for me
