She sits at the window  
Polishing horse brasses  
An old man is snoring near  
Wearing wire glasses  
That makes her laugh  
But rain makes her sigh  
Rain makes her cry  
And sex makes her sky

Marjorie Margerine  
Longs to be a queen  
Marjorie Margerine  
Longs to make a scene  
She's at that age  
Majorie Margerine

She can't get to sleep at night  
Thinking of Thomas  
She will try to see him today  
Make him promise  
That makes her glad  
She grin when she glad  
She loves to be bad  
Ignoring her dad.

Majorie Margerine  
Longs to be a queen - also  
Majorie Margerine  
Longs to make a scene  
She's at that age  
Marjorie Margerine

She makes do with Teddy  
And the pillow-fellow  
If mum could see how they perform  
She would turn yellow  
That makes her smile  
She'll be grown in a while  
Strutting around in style  
Drivin' all the fellas wild

Marjorie Margerine  
Longs to be a queen  
Marjorie Margerine  
Longs to make a scene  
She's at that age  
Marjorie Margerine

She squints in the sunny yard  
Peeling oranges
