I'm preachin' love  
Straight from above  
I know what to do, yes I do.  
Well, I'm breathing love  
Straight from above  
I mean about what I said.  
Well, I understand my congregation  
Is made about the finer sex.  
Well, I don't know about any segregation -  
Anyone may read the text.  
All I do  
Is study you  
In your natural habitat.  
And as I do  
I find that you  
Are all worth saving at that.  
Get around the world and listen  
Life is love is life  
And when you see the teardrops glisten  
I'll have it from trouble and strife.  
Well, I like to be beside the sea  
Diggin' where we came or what for.  
Well, I think that we  
Were meant to be  
That is all I ever saw, oh, oh.  
Oh, I feel so exhilarated, yeah  
In love with love, with love.  
I'm never explicated  
I just can tell you're enough.  
That's right, yeah.  
Well, I'm preachin' love  
Straight from above  
I may know to her what I heard.  
Well, I'm breathing love  
Straight from above  
I mean about what I said.  
Well, I understand my congregation  
Is made about the finer sex.  
Well, I don't know about any segregation -  
Anyone may read the text.  
Well, I like to be beside the sea  
Diggin' where we came or what for.

Well, I think that we  
Were meant to be  
That is all I ever saw, oh, oh.  
Oh well I feel so exhilarated, yeah  
In love with love, with love.  
I'm never explicated  
I just can tell you're enough.  
Preachin' love, preachin' love  
Preachin' love, preachin' love  
Preachin' love, preachin' love  
I know what to be true, yes I do, oh yeah.
