Why does it have to be just one day in the year  
When we give love and share our joy ?  
That happy feeling between girl and boy.  
St. Valentine's angel,  
Oh, angel of all loving,  
St. Valentine's angel,  
Give my love to everyone.  
How I wish it could be  
St. Valentine's day forever for you and me.  
Oh, how I wish it could be  
St. Valentine's day forever for you and me.  
Wise men have often said  
You know, from the pages of the books I've read  
Life's joys and misery  
Walk hand in hand and keep each other company.  
St. Valentine's angel,  
Oh, angel of all loving,  
St. Valentine's angel,  
Give my love to everyone.  
How I wish it could be  
St. Valentine's day forever for you and me.  
Oh, how I wish it could be  
St. Valentine's day forever for you and me, oh, oh
