You see this kind of chick in every town
Whenever there's a scene she's always hangin' around
She's so naive and innocent, stares at you with awe
She's only fourteen but she knows how to draw

Supergirl, Supergirl, Supergirl, Supergirl

Supergirl
(She's my Supergirl and I love her)
Supergirl
(She's my Supergirl and I love her)

Supergirl
(She's my Supergirl and I love her)
Supergirl
(She's my Supergirl and I love her)

She never gets involved with blowing her cool
She's to visit painting sky with her classmates in school
Teachers they ignore her, they would if they could
She ain't quite grown up yet but her credence's real good

Supergirl
(She's my Supergirl and I love her)
Supergirl
(She's my Supergirl and I love her)

Supergirl
(She's my Supergirl and I love her)
Supergirl
(She's my Supergirl and I love her)
