THE LULLABY OF SPRING

Donovan

Rain has showered far her drip
Splash and trickle running,
Plant has flowered in the sand
Shell and pebble sunning.

So begins another spring,
Green leaves and of berries,
Chiff-chaff eggs are painted by
Mother bird eating cherries.

In the misty tangled sky
Fast a wind is blowing,
In the new-born rabbit's heart
River life is flowing.

So begins another spring,
Green leaves and of berries,
Chiff-chaff eggs are painted by
Mother bird eating cherries.

From the dark and wetted soil,
BRPetals are unfolding.
BRFrom the stony village kirk,
BREaster bells of old ring.
