The sun is a very magic fellow  
He shines down on me each day-ay-ay-ay.  
The sun is a very magic fellow  
He shines down on me each day-ay-ay-ay  
He shines down on me each day.  
The wind is a very fickle fellow  
He blows all my dreams away-ay-ay-ay.  
The wind is a very fickle fellow,  
Blowing all my dreams away-ay-ay-ay  
Blowing all my dreams away.  
The rain is a very sad lady,  
She falls down on me sometimes.  
The rain is a very sad lady,  
She falls down on me sometimes,  
Falling down on me sometimes.  
The sea is a very, very old man,  
Deeper than the deepest blue.  
The sea is a very, very old man,  
Deeper than the deepest blue,  
Deeper than the deepest blue.  
The moon is a typical lady,  
I watch her wax and wane.  
The moon is a typical lady,  
I watch her wax and wane,  
I watch her wax and wane.  
A star is so very far away, love,  
Just between you and me.  
A star is so very far away, love,  
Just between you and me,  
Just between you and me.  
A song is a pillow for my sadness,  
She sings all my cares away.  
A song is a pillow for my sadness,  
Sings all my cares away-ay-ay-ay,  
Sings all my cares away.  
Singing all my cares away-ay-ay-ay,  
Sing all my cares away.  
Loving all my cares away-ay-ay-ay,  
She sings all my cares away.  
Singing all my cares away-ay-ay-ay,  
Singing all my cares
