The lock upon my garden gate's a snail, that's what it is.

The lock upon my garden gate's a snail, that's what it is.

First there is a mountain, then there is no mountain, then there is.

First there is a mountain, then there is no mountain, then there is.

The caterpillar sheds his skin to find a butterfly within.

Caterpillar sheds his skin to find a butterfly within.

First there is a mountain, then there is no mountain, then there is.

First there is a mountain, then there is no mountain.

Oh Wanita, oh Wanita, oh Wanita, I call your name.

Oh, the snow will be a blinding sight to see as it lies on yonder hillside.

The lock upon my garden gate's a snail, that's what it is.

The lock upon my garden gate's a snail, that's what it is.

Caterpillar sheds his skin to find a butterfly within.

Caterpillar sheds his skin to find a butterfly within.

Ah, my-my.

First there is a mountain, then there is no mountain, then there is.

First there is a mountain, then there is no mountain, then there is.

First there is a mountain, then there is no mountain, then there is.

First there is a mountain, then there is no mountain, then there is.

First there is a mountain
