I dont care, what they see
Dont really bother me
I dont care, what they say
Theres got to be another way

I said dream on, dreamer
Dream all through the night
Dream on, dreamer
Baby thats alright

If you wanna dream, dream
Its okay, you can dream all through the day
I said dream, dream
Its alright, you can dream all through the night

Keep on moving if ya, gotta go
Just as long as you'll stay with the flow
Be somewhere, you wanna be
Keep on grooving cause thats the key

I said dream on, dreamer
Dream all through the night
Dream on, dreamer
Baby thats alright

If you wanna dream, dream
Its okay, you can dream all through the day
I said dream, dream
Its alright, you can dream all through the night

Dreams cant always be, just what they seem
But you can dream, i said you can dream
I hope i see it in my

Dream on, dreamer
Dream all through the night
Dream on, dreamer
Baby thats alright

Dream on, dreamer
Dream all through the day
Dream on, dreamer

Baby thats okay
And thats okay
