There's a wind from the West  
Comin' on strong  
It won't be long till things start kicking in

Wild cats fall  
Ready or not  
Here's a shot  
It won't get away again

Cause this time we're not gonna quit  
This time just for the fun of it  
We're gonna hit the ground runnin  
We're gonna hit the ground runnin  
It won't see us coming  
We're gonna hit the ground, hit the ground

There's no regrets this time round  
Were gonna get on down no matter what it takes  
Well we heard it said in the past  
It'll never last  
But I know were gonna be here to stay

Cause this time we're not gonna quit  
This time just for the fun of it  
We're gonna hit the ground runnin  
We're gonna hit the ground runnin  
It wont see us coming  
We're gonna hit the ground, hit the ground

Cause this time we're not gonna quit  
This time just for the fun of it..  
We're gonna hit the ground runnin x4

It wont see us coming  
Were gonna hit the ground, hit the ground, hit the
