From the album *sutras*

Deep peace of the running wave to you
Deep peace of the flowing air to you
Deep peace of the quiet earth to you
Deep peace deep peace
Deep peace of the sleeping stones to you
Deep peace of the wandering wind to you
Deep peace of the flock of stars to you
Deep peace deep peace
Deep peace of the eastern wind to you
Deep peace of the western wind to you

Deep peace of the northern wind to you
Blue wind of the south to you
Pure red of the whirling flame to you
Pure white of the silver moon to you
Pure green of the emerald grass to you
Deep peace deep peace
