I like a pale Caucasian
I like an olive Asian
I like a Polynesian
I like a slim African

Ladies from every land love
The International Man
I like a Red Indian
I like a Mexican

I like a Caribbean
I like a Brazilian
Ladies from every land love
The International Man

The International Man
(That's me)
The International Man
(I am he)

The International Man
The International Man
(Can't you see)
Ladies from every land love
The International Man

I like a Marvelous Martian
A Vivacious Venusian
I like a leggy Libran
With just a touch of Scorpion
Ladies from every plane love

The Interplanetary Man
The Interplanetary Man
The International Man
The International Man
Ladies from every land love
The International Man
