Where are you going
Oh Wind of the morning
Your slippers are showing
And you're still yawning
To waken the wee ones
To tickle their lashes
Breakfast of milkbuns
Toy spoons and splashes

Good morning Mister Wind
Good morning Mister Wind
Where are you going
Where are you going

Where are you going
So tinily singing
Where are you blowing
The kiss you are making
To ponds to make riplings
To Blow out the matches
Lift up the gull wings
When the plough scratches

Good morning Mister Wind
Good morning Mister Wind
Where are you going
Where are you going

Good morning Mister Wind
Good morning Mister Wind
Where are you going
Where are you going

Where are you going
Oh Wind of the morning
Your slippers are showing
And you're still yawning
To waken the wee ones
To tickle their lashes
Breakfast of milkbuns
Toy spoons and splashes

Good morning Mister Wind
Good morning Mister Wind
Where are you going
Where are you going
