Driving across the highlands  
Of Scotland in our land rover

Shadow of cloud falls  
And with it a chill  
High o'er heather  
Hawk hover the hill  
Just begun is my journey  
And Danu's my name  
I am the juggler of fortune and fame

Let me not hear facts figures and logic  
Fain would I hear lore legends and magic (x 4)

Feathers of raven  
Slithers of coal  
Armour of silver  
In the mackerel shoal  
Sun in the west  
T'is ruby blood red  
Travelers a-weary  
Do make their bed

Let me not hear facts figures and logic  
Fain would I hear lore legends and magic (x 4)
