You're my singer  
Lemme be your song  
Celestial bodies  
They get along  
And I just want to sing along

You're my single  
Lemme be your chart  
If you never make the hit parade  
You're number one in my heart  
As long as I can play a part

Vegetarian by choice  
Not by fashion  
It's not so much what you eat  
As what you balance on  
And watch me balance on

Instrumental passage here  
We're playin' it now  
But you are not among us here  
To play like you know how  
Beg us to allow

You're my singer  
Lemme be your song  
No matter what you want to do  
Let me pick along  
I just want to sing along

Country ladies  
Take us by the hand  
Soft eyed and cotton clothed  
Through Parrish meadowland  
And John and I can be the band
