Fine rock a-pooling coast  
this starfish on the toast  
the men in the crabbing boats they cry

Far across the harbor  
and 'round the sandy cove  
the shepherd with his pipe and sheep he drove

big cloud tumbling high  
the amazing flying sky  
how the gulls are pillaging the town

fan faring daffodilly  
trumpetingly small  
all along the bathing hut wall

far across the empty beach  
the tide has left this world  
old men in tweed find study there

Holding whelks and periwinkles  
tingling in his hand  
little does he know they hold him too

Fine rock pooling coast  
this starfish on the coast  
the men in the crabbing boat they cry....
