880 were challenged by Travis to die
By a line that he drew with his sword as the battle drew
nigh
A man that crossed over the line was for glory
And he that was left better fly
And over the line crossed 179
Hey Up Santa Anna, they're killing your soldiers below
So the rest of Texas will know
And remember the Alamo

Jim Bowie lay dying, the blood and the sweat in his
eyes
But his knife at the ready to take him a few in reply
Young Davy Crockett lay laughing and dying
The blood and the sweat in his eyes
For Texas and freedom a man was more willing to die
Hey Up Santa Anna, they're killing your soldiers below
So the rest of Texas will know

And remember the Alamo

A courier came to a battle once bloody and loud
And found only skin and bones where he once left a
crowd
Fear not little darling of dying
If this world be sovereign and free
For we'll fight to the last for as long as liberty be
Hey Up Santa Anna, they're killing your soldiers below
So the rest of Texas will know
And remember the Alamo
