spring has showered far her drip
splash and trickle running,
plant has flowered in the sand
shell and pebble sunning;

so begins another spring,
green leaves and of berries,
chiff-chaff eggs are painted by
motherbird eating cherries

in the misty, tangled sky,
fast a wind is blowing
in a newborn rabbit's heart
river life is flowing

so begins another spring,
green leaves and of berries,
chiff-chaff eggs are painted by
motherbird eating cherries

from the dark and whetted soil,
petals are unfolding
from the stony village kirk
easter bells of old ring

so begins another spring,
green leaves and of berries,
chiff-chaff eggs are painted by
motherbird eating cherries

spring has showered far her drip,
splash and trickle running
plant has flowered in the sun
shell and pebble sunning

so begins another spring
green leaves and of berries,
chiff-chaff eggs are painted by
motherbird eating cherries
