Will we just fall down, before we live, before we try
To make it through this life. We won't, we can't, never
break.

Cause now the time is ours.

How can we save ourselves?

Sacrifice our time, sacrifice our lives, it's all we have.
We need to break away from all this inbetween and live
life through our dreams.

Down and out this road of doubt has sucked me in and
I can't get out

Force ourselves to make it through this, All I've got I'll
give it to this.

How can we save ourselves?

Sacrifice our time, sacrifice our lives, it's all we have.
We need to break away from all this inbetween and live
life through our dreams.

It's all we have.

We won't back down, we won't give in.

We won't give up, we won't give in.

How can we save ourselves?

Sacrifice our time, sacrifice our lives, it's all we have.

How can we save ourselves?

Sacrifice our time, sacrifice our lives, it's all we have.

We need to break away from all this inbetween and live
life through our dreams.
