Girl, girl, girl, girl, girl, girl

Baby, it's been so unusual to  
contain these feelins'  
but it's just getting in.  
So, I just want you to know.  
I wanna shout it out  
and tell the world how you got me feelin'  
It's more than inspiration,  
it's such a brilliant feeling!

If I can lock you in a room,  
and stare at your smile  
There's no telling how many ideas;  
that I can come up with  
When it comes to you,  
there's nothing I won't do  
I would lose my mind, nooo!

Can't picture myself without you  
Slowly fading!  
Can't live in this world without you  
Couldn't sustain!  
I don't know what to do,  
if I didn't have you.  
My life would be so empty w/out you!

No way would I be spending money on girls,  
if I had you!  
You're like a car, you're the oil  
that makes everything run smooth.  
And I won't trade your love  
for diamonds, jewels, pearls, or nothing!  
'Cause you're my favorite girl,  
the thought is so amazing!

I'm in love,  
there's no other greater feeling.  
I'm in love,  
it's so plain as day to see!  
There's no other place

that I'd rather be than w/you, girrrl!

Can't picture myself without you  
Slowly fading!  
Can't live in this world without you  
Couldn't sustain!  
I don't know what to do,  
if I didn't have you.  
My life would be so empty w/out you!

I feel so comforted  
when you're around me.  
My life was so in a wreck,  
until I found you.  
But now I feel ..  
I'm the luckiest man alive!

Girl, girl, girl, girl, girl, girl

Can't picture myself without you  
Slowly fading!  
Can't live in this world without you  
Couldn't sustain!  
I don't know what to do,  
if I didn't have you.  
My life would be so empty w/out you!

Swear I'm so happy I got you ...
