Baby don't talk just listen
Cuz i can't continue to be stupid
I gave you my heart
I gave you my trust
No mather what i did for you
It never was enough

Chorus:

Why you wanna throw our love away
Forget about the days
Memories we use to share
How you gonna let it go to waste and give up what was
beautiful
Forget about the days and just throw it all the away ay
ay ay ayy

Throw it all away
ay ay ay ayy
ayy

Verse 2:

Baby i'm tired of crying
And the late nights
From getting no sleepin
I sacrifice myself
To the was nothing left
No mather what i did for you
You never could be there

Chorus:

Why you wanna throw our love away
Forget about the days
Memories we use to share
How you gonna let it go to waste and give up what was
beautiful
forget about the days and just throw it all the away

Verse 3:

What about all we were before
Our love just washed off outside the door
The things you said to me

Should now listening or should i know, don't you?
Instead of hoppin
Instead of crying
Instead of waiting for you to change
But you prove me wrong and gave up on me

Chorus:

Why you wanna throw oh-oo-ohh our love away oohh
Why you wanna trow our love away
Forget about the days
Memories we use to share
How you gonna let it go to waste and give up what was
