Hot, hot, hot, hot
One speed a way to sweat stripping off your body
Best waking me when I ask, you will lead this party for
me
Your blind not to see, Iâ€™m burning from your heat!
When I get around, youâ€™re myâ€¦ bleed
Youâ€™re the one to blame while Iâ€™m feeling this way
This should be clear to you, that I want you close to me
You know what I mean, your inferno is amazing
Youâ€™re just the kind of girl I need!

Chorus:

Youâ€™re so crazy hot (hot, hot, hot)
Can burn a man inside!
Get you off my mind (hot, hot, hot)
Iâ€™m sweating, dreaming about you!
Crazy hot, crazy hot, crazy hot
Iâ€™m burning hot, baby hot, baby hot!

One speed away, that rhythm is moving through your
body
Itâ€™s like youâ€™re in a slow motion when youâ€™re
dancing with me
You make me believe in every impossibility!
But youâ€™re hot enough to melt the sun heat
Youâ€™re the one to play, while Iâ€™m feeling this way
Dangerous is the chemistry that we create
And we come together in need
Your inferno is amazing
Youâ€™re just the kind of girl I need!

Chorus:

Youâ€™re so crazy hot (hot, hot, hot)
Can burn a man inside!
Get you off my mind (hot, hot, hot)
Iâ€™m sweating, dreaming about you!
Crazy hot, crazy hot, crazy hot
Iâ€™m burning hot, baby hot, baby hot!
Crazy hot!

This feels like destiny, everything just feels so right
This fire burning is insanity

Cause we wanna dance all night!
Hot, hot, hot, hot, hot!
Hot, hot, hot, hot, hot!
Hot, hot, hot, hot, hot!

Chorus: (x2)
You're so crazy hot (hot, hot, hot)
Can burn a man inside!
Get you off my mind (hot, hot, hot)
I'm sweating, dreaming about you!
Crazy hot, crazy hot, crazy hot
I'm burning hot, baby hot, baby hot!
Crazy hot!
