I'm lost  
Without your love  
I've tried  
And I've tried  
But compromising  
Wouldn't working now  
Saying nothing  
Just made it worse  
You've cried  
And you've cried  
How many nights  
I was hopeless  
I can't step  
Into focus

This ain't  
The way to go  
I don't wanna be alone  
No more  
Left out in the cold  
I've been running away  
From my shadow

[Chorus:]  
I don't know  
Where to start  
I'm trapped  
In the dark  
I'm drowning  
And I'm lost  
Without your love  
I didn't play my part  
I know  
I broke your heart  
I'm hurting  
Aand I'm lost  
Without your love  
When my heart  
On my shoulders  
I didn't died  
And came back to life  
Broke my promises

More than twice  
You've felt  
My heart was stolen  
Said I ain't  
What I used to be  
Took advantage  
Of you and me

This ain't the way to go  
I don't wanna be  
Alone no more  
I'm left out in the cold  
I've been running away  
From my shadow

(Chorus)

It's not  
The same anymore  
It's hard  
To just let you go  
Want to see you again  
Want to see you again  
Cuz I can't think  
No, cannot sleep  
Unless you forgive me  
Tell me  
Can you forgive me?

(Chorus 2x)
