I used to think that love was sweet  
And it could turn your life around easily  
But what I didn't know what it unfolds  
Heartache tears brings misery  
Can somebody tell me

Because I don't know what to believe  
My world seems lost til it's killing me  
I'm so confused  
I don't know which way to go  
I'm slowly falling apart  
It's breaking my soul

I'm at the point of no return  
It's got me standing close on the edge  
I've taken everything that I can take  
I'm slowly losing myself  
Til it's affecting me  
I'm at the point of no return  
I'm at the point of no return

I feel so weak til I can't sleep  
They say that love is a fairytale  
Well love fooled me  
I trusted you when I should have let you go  
Instead I let you stay in my heart  
But you never played your part

I don't know what to believe  
My world seems lost til it's killing me  
I'm so confused  
I don't know which way to go  
I'm slowly falling apart  
It's breaking my soul

I'm at the point of no return  
It's got me standing close on the edge  
I've taken everything that I can take  
I'm slowly losing myself  
Til it's affecting me  
I'm at the point of no return

I've made up my mind  
There's no turning back  
I've gotta let you go  
Because you never loved (me)  
You never showed (me)  
So I'm letting you go

I'm at the point of no return  
It's got me standing close on the edge  
I've taken everything that I can take  
I'm slowly losing myself  
Til it's affecting me  
I'm at the point of no return  
It's got me standing close on the edge  
I've taken everything that I can take  
I'm slowly losing myself  
Til it's affecting me  
I'm at the point of no return
