[Chorus]

Tell me the reason I should love you
When IÂ'm getting ahead on my heart
It makes no sense how I canÂ't get over you
IÂ'm so lost I donÂ't know where to start
Show me the meaning of love
Show me the meaning of love
Show me the meaning of love

Walking on the edge, I canÂ't breathe, IÂ'm slowing
down
My heart has reached my bottom
I can hardly hear the sound
IÂ'm dead, I donÂ't feel alive,
She pulled the trigger, feels like suicide
My world is empty IÂ'm so string tied
Someday, someday

[Chorus]

Tell me the reason I should love you
When IÂ'm getting ahead on my heart
It makes no sense how I canÂ't get over you
IÂ'm so lost I donÂ't know where to start
Show me the meaning of love
Show me the meaning of love
Show me the meaning of love

CanÂ't sleep at night, IÂ'm having nightmares
I toss and turn
Loosing it every letter that she wrote I burn
IÂ'm dead, I donÂ't feel alive,
She pulled the trigger, feels like suicide
My world is empty IÂ'm so string tied
Someday, someday

[Chorus] x 2

Tell me the reason I should love you
When IÂ'm getting ahead on my heart
It makes no sense how I canÂ't get over you
IÂ'm so lost I donÂ't know where to start
Show me the meaning of love

Show me the meaning of love
Show me the meaning of love.
