I likes to party
I likes to party
I likes to party
I likes to party

When you wanna party
And party, party hearty
Hold up, hold up

When you're getting down
No sense in messing around
Hold up, hold up

[CHORUS]
Talking 'bout do it, fluid
Talking 'bout do it, fluid
Talking 'bout do it, fluid
Talking 'bout do it, fluid

When you wants to move
And trying to stroke a groove
Hold up, hold up

And when you feel a ringle
And your body wants to intermingle
Hold up, hold up

[Repeat CHORUS]

If you wants to get crazy
Slow down and lazy
Hold up, hold up

If you want success
Then do the thing that's best
Hold up, hold up

[Repeat CHORUS]

If you're making shy
And like to be hip and fly
Hold up, hold up

Drugs are for fools
Love will keep you cool
Hold up, hold up

[Repeat CHORUS 2x]

If you're making shy
And like to be hip and fly
Hold up, hold up

Drugs are for fools
Love will keep you cool
Hold up, hold up

[Repeat CHORUS 2x to fade]
