Day after day I'm more confused
When I look for the light in the pouring rain
I know that's a game that I hate to lose
And I'm feeling the strength
Ain't it a shame

Give me the Beat Boys to free my soul
I wanna get lost in your rock 'n roll and drift away
Oh..Give me the Beat Boys to free my soul
I wanna get lost in your rock 'n roll and drift away

Beginning to think that I'm wasting time
I don't understand the things I do
The world outside looks so un-kind
I'm countin' on you
To carry me through...OH...

Give me the Beat Boys to free my soul
I wanna get lost in your rock 'n roll and drift away
Yeah!..Give me the Beat Boys to free my soul
I wanna get lost in your rock 'n roll and drift away

When my mind is free

You know a melody can move me
When I'm feeling blue
The guitar is coming through to soothe me...
Thanks for the joy that your giving me
I want you to know I believe in your song
Rhythm and Rhyme and Harmony
You've helped me along
Making me strong....OH!...

(ACAPALLA)

Give me the Beat Boys to free my soul
I wanna get lost in your rock 'n roll and drift away

Give me the Beat Boys to free my soul
I wanna get lost in your rock 'n roll and drift away

OH....Give me the Beat Boys to free my soul
I wanna get lost in your rock 'n roll and drift away

OH...Give me the Beat Boys to free my soul
I wanna get lost in your rock 'n roll and drift away

Now, now, now, won't ya
Won't ya take me, oh...take me
