Hey, don't worry, I've been lied to  
I've been here many times before  
Girl don't you worry, I know where I stand  
I don't need this love, I don't need your hand  
I know I could turn, blink, and you'd be gone  
Then I must be prepared any time to carry on, but

(chorus)

(Minute by minute by minute by minute)  
I keep holding on  
Oh, I keep holding on  
(Minute by minute by minute by minute)  
I keep holding on

You will stay just to watch me, darlin'  
Wilt away on lies from you  
Can't stop the habit of livin' on the run  
I take it all for granted  
like you're the only one  
Livin' on my own  
somehow that sounds nice  
You think I'm your fool  
well, you may just be right, cause

(chorus)

I keep holding on  
Oh babe

Call my name and I'll be gone  
you'll reach out and I won't be there  
Just my luck you'll realize  
you should spend your life with someone  
you could spend your life with someone

(Minute by minute by minute by minute)  
I'll be holding on  
Oh no, oh baby  
(Minute by minute by minute by minute)  
I'll be holding on  
Oh no, oh darlin'  
(Minute by minute by minute by minute)

I keep holding on, on for the memories  
Oh baby  
(Minute by minute by minute by minute...)
