People rushin' everywhere
If they'd only slow down once
they might find something there

Green trees and timber land
People workin' with their hands
for sure a different way to live

Gonna keep my cabin at hand
Retreat and live off the land
all around Ukiah, woh woh

The mountain streams that rush on by
Show the fish a jumpin'
and reflect the open sky

The fresh clean smell of the pines
symbol of unchanging times

all around this sacred land

Strangely, though, I've found my way
Right here I'm gonna stay
in this land Ukiah, woh woh

(instrumental)

The fresh clean smell of the pines
symbol of unchanging times
all around this sacred land

Strangely, though, I've found my way
Right here I'm gonna stay
in this land Ukiah, woh woh

Ooh Ukiah
Ooh Ukiah
Ooh Ukiah
Ooh Ukiah

(repeat to fade)
