You're the kind of guy that I gotta keep away
But it's all right
You know you can't deny
It's the price I've gotta pay
But it's all right
'Cause though your lips are sweet as honey
Your heart is made of solid stone
One look and boy you got me runnin'
I bet you saw me comin' after you alone

Wanted
Boy, you're everything I ever wanted
Now all I've got's a memory, I'm haunted
Livin' in the shadow of your love
Boy, you know you've got me
'Cause you're wanted
Boy, you're everything I ever needed
But now you're gone and let me down
And cheated
Livin' in the shadow of your love

I'm the kind of girl that'll swallow every line
But it's all right
You only gotta call
And I'll be there any time
And it's all right
And now the flames are getting higher
I'm losin' all my self control
So come on boy and feed the fire
I'm burning with desire
Don't you leave me cold.

Wanted
Boy, you're everything I ever wanted
Now all I've got's a memory, I'm haunted
Livin' in the shadow of your love
Boy, you know you've got me
'Cause you're wanted
Boy, you're everything I ever needed
But now you're gone and let me down
And cheated
Livin'in the shadow of your love

Boy, you know you've got me
'Cause you're wanted
Boy, you're everything I ever wanted
Now all I've got's a memory, I'm haunted
Livin' in the shadow of your love
Boy, you know you've got me
'Cause you're wanted
Boy, you're everything I ever needed
But now you're gone and let me down
And cheated
Livin' in the shadow of your love

Boy, you know you've got me...
